

JASON ILLINOIS WELCOMES NEW CUSTOMER SERVICE REPRESENTATIVE

Michael Scheffler has joined Jason Industrial as a Customer Service Representative based out of our Carol Stream, Illinois distribution center. He will also play a significant role in supporting our Rultrans conveyor belting product venture, fielding customer calls and allocating product slitting and dispersal.

Joining us this past January, Mike first took a hands-on approach by working the warehouse floor for his first couple of months, familiarizing himself with our product and learning the inner workings of procedure, from order initiation to shipment.

A graduate of Northern Illinois University with a Bachelor of Arts in International Relations, Mike also participated in a Cultural Diversity Study Abroad program in Thailand during the summer of 2011. This unique opportunity allowed him to nurture his Thai language skills, as well as explore and further-develop an understanding of the local cultural and political diversities.

Mike's communication skills were further enhanced with his recent intern and voter outreach volunteer work with Illinois Senator Mark Kirk, as well as other Senate and House candidate campaigns and political organizations.

An avid sports fan, Mike lives in the western Chicago suburbs with his girlfriend Molly, where he also coaches high school and elementary level hockey.

Please join me in welcoming Mike to the Jason family!
