

NEW INSIDE SALES REP JOINS JASON - FAIRFIELD, NJ

Effective Monday, August 15th, Gary J. Greiner has accepted a position as Inside Sales Representative. He will report to Ron Bruno.

Residing in Denville, NJ, Gary is a 2009 Graduate of the University of Rhode Island, where he earned a Bachelor of Science degree in Business Administration and Management. He also has a proficiency in the German language through his studies in a Minor concentration at URI.

During his early years at URI, Gary also had several science and mathematics courses, which were core for engineering students. It is some of that formal education which has positioned Gary for the entry level role he is taking with Jason.

Please join me in welcoming him to Jason Industrial.
