

JASON FLORIDA PROMOTES SEAN SCOTT TO TAMPA OPERATIONS MANAGER

I am very pleased to announce the promotion of Sean Scott to Jason Florida Operations Manager. Sean's years of excellent service, enthusiasm and positive attitude have made him a true asset and a stand-out employee.

Sean joined Jason in 2001, coming to us from Torque Quip Co. and has held a customer service position for fifteen years here in Tampa. His proven knowledge and strong customer service and people skills are essential in taking on his new position.

As Florida Operations Manager, Sean will oversee Customer Service for the thirteen states handled from this office. He is also responsible for managing daily office and operational tasks that allow us to operate effectively and efficiently. I so appreciate Sean's ongoing initiatives and fresh ideas he brings to the table, always looking for ways to improve Jason Tampa.

Sean's quality of dedication is commendable and so important for success.

Please join me in congratulating Sean in his new position, along with best wishes for the future.
