

# NEW DISTRIBUTION CENTER WAREHOUSE MANAGER

## **Jason Illinois is proud to announce Mark Faltynek as Distribution Center Warehouse Manager.**

Joining the Jason family this past April as an Inside Sales Representative, Mark has recently taken over the open position of Distribution Center Warehouse Manager.

Mark attended the University of Illinois with an emphasis on general business studies. He brings to Jason over fifteen years of industrial business experience, having worked for Applied and Motion.

He lives just outside of Chicago with his wife Lori and four children, Amber, Mark Jr., Eddie and their newborn Kristen.

I'm highly confident in Mark's leadership qualities to run an efficient Distribution Center and exceed our every expectation.

Please join me in welcoming Mark to his new position.

- Kristina Pariso
