

LAURIE CARNEY COMPLETES IDC UNIVERSITY POWER TRANSMISSION PRINCIPLES COURSE

“Thank you for sending Laurie to the Power Transmission Principles course this week. It was a pleasure having her in class and her active participation was appreciated. Laurie earned the highest score in the class with a 96%!” - Almeda Myers, IDC-USA

Laurie Carney receives her “Power Transmission Principles” course Certificate of Completion

Jason Industrial and IDC congratulate Laurie Carney of Jason Illinois for her successful completion of “Power Transmission Principles” held by IDC University February 18-21, 2013.

Laurie’s performance ranked **highest** in her class of 14 students, with a **final “A” grade of 96%**.

“It was a really good base for me to build on,” Laurie says of the experience. “Things just make more sense.”

Great job, Laurie - we’re all proud of you!

Thank you for allowing Laurie Carney to attend the Power Transmission Principles Class held March 18-21, 2013. Laurie’s course results are provided below.
