

JASON WELCOMES NEW MIDWEST DISTRICT SALES MANAGER FOR 3014 TERRITORY

Effective February 2, 2015, Mark Passalinqua has joined Jason Industrial as District Sales Manager for the revised 3014 territory, serving Jason Megadyne customers in Northeast Ohio, Western Pennsylvania and West Virginia.

He comes to us with a solid background in power transmission and industrial hose, including 27 years of industrial sales experience with companies like W.W. Grainger, Erie Bearing and, most recently, Applied Industrial Technologies in Youngstown, Ohio.

Studying Business Management at Youngstown State University, Mark is married and has 4 children - all boys, two in college and two in high school. He enjoys golf, coaching sports with his sons, music and family activities.

Mark will spend his first week with us learning products and procedures at the Carol Stream Distribution Center. His background and extensive sales experience will make him a valued part of our sales force.

Please join me in welcoming Mark to the Jason Industrial family.
