

JASON ILLINOIS WELCOMES NEW DC WAREHOUSE MANAGER

Jason's Distribution Center in Carol Stream, Illinois recently welcomed its new Warehouse Manager Joe Kelly.

Joe comes to us with a solid background in warehouse managerial and supervising roles, most recently in BOX Partners LLC's 300,000 square foot facility in Elgin, Illinois. He holds several accredited management certifications, including a Visual Management 5S Certification from the University of Illinois' Business Institute School, as well as certifications in Inventory Management, Lean Manufacturing, DOT, HAZMAT, OSHA and EPA Warehousing/Transportation. He is also a certified forklift operator through the Train the Trainer program.

As a military veteran, Joe enlisted in the Marine Corps out of high school, following a long line of family tradition. Serving with the 2nd Marine Division based out of Camp Lejeune in Jacksonville, North Carolina, he was assigned to STA Platoon and deployed overseas twice, participating in such crucial operations as Noble Anvil, Shining Hope, Joint Guardian and Operation Enduring Freedom as part of the 26th MEU.

An Illinois native, Joe resides in the far-west Chicago area village of Hampshire with his wife Priscilla and daughter Autumn Rose. He is an avid sports fan and remains physically active in such athletics as football, hockey, softball, basketball and volleyball. When not working on classic hot rod cars, Joe also enjoys competitive sport shooting, boating, camping, snowmobiling and riding motorcycles.

Please join me in welcoming Joe to the Jason Industrial family.
