

JASON WELCOMES NEW PRODUCT MANAGER FOR LIGHTWEIGHT CONVEYOR BELTING

We are pleased to welcome Franklin Fullerton to Jason where, as Product Manager, he'll lead the establishment and growth for the newly-acquired Rultrans Lightweight Conveyor Belt Business in North America.

Franklin comes to Jason from Fenner Dunlop of Charlotte, NC where he held various sales positions beginning as Territory Sales Manager for Lightweight Products in 1986, and later serving as an Export Sales Manager for the Caribbean and Central & South American territories in 1992.

Most recently, Frank served Fenner Dunlop as Manager of Lightweight Belting Products, responsible for sales of all lightweight belting products to distribution throughout North America.

A 1985 graduate of Furman University in Greenville, SC, Frank lives in the Charlotte area and will base operations out of Megadyne America's Charlotte, NC location.

Frank can be reached by e-mail frankf@jasonindustrial.com.

Please join me in welcoming Frank to the Jason family!

Tom Tesoro

Franklin Fullerton joins Jason as Product Manager for the newly-acquired lightweight conveyor belting business for North America.
